(a) All vehicles shall be kept inside garages, except that vehicles may be parked on the driveway, but only if the Owner's garage or garages are fully occupied with the Owner's vehicles. Vehicles parked within a driveway shall not block the sidewalk. Garage doors shall be kept closed except when vehicles are entering or leaving the garage. There shall be no overnight parking of any vehicle in the street by an Owner or by the guest, tenant, or invitee of an Owner.

The association has adopted the following Rules and Regulations regarding parking to define and clarify the above referenced restriction(s).

2. **"overnight parking"** is defined as parking on the streets or Common Areas anytime between the hours of 12:00 am and 6:00 am. Cars parked in the street within these hours will be subject to being towed without further notice and at the owner's expense.

Vehicles parked in violation of this rule, will be subject to being towed without further notice and at the owner's expense.
7. **Nighttime Amenity Parking:** Nightly, while pool/amenity area is closed, the amenity area parking lot may be used for the temporary, non-recurring, short-term, overflow guest parking, but ONLY if/when the associated unit's garage AND driveway are fully populated with vehicles as indicated above.
