## Reporting Suspicious or Criminal Activities

Your association has no authority or jurisdiction to resolve these types of issues. Hillsborough County Sheriff's Office (HCSO) has established Crime Stoppers-a quicker, more effective way to report crime than calling the non-emergency HCSO number. CALL 1-800-873-TIPS (8477) where Crime-Stoppers Coordinator will take the information, complete the tips form, make initial inquires, and then pass the information to the investigating law enforcement officer. **You will remain anonymous** and they are able to act more quickly on your report.

-Call (800) 873-TIPS. You make your initial report via telephone where you will be asked a series of questions, some of which provide information that you would not have even thought to provide. You will be assigned a tracking number that will allow you to add details at any time via email on [www.crimestopperstb.com](http://www.crimestopperstb.com) or via phone. If you think of something new or witness additional activity, you can add it at any time-day or night and it is added to your complaint-something that does not occur when you call the desk sergeant.

-HCSO deputies **STRONGLY** encourage people to report through Crime-Stoppers rather than calling the desk sergeant because you can continue to add pertinent information such as: color/make/model of a suspicious vehicle, address it may visit and for how long it visits, description of people coming and going, etc. Deputies have told us that the feature that allows any number of people to report/add subsequent information to complaints has enabled them to "tie reported incidents together" and to locate people and vehicles that they might not have been able to locate otherwise.

Tuesday 1<sup>st</sup> New Year's Day

Monday 7<sup>th</sup> Students back in school

Tuesday 15<sup>th</sup> all holiday decorations should be removed

Monday 21<sup>st</sup> Dr. Martin Luther King, Jr. Day

**Guess What Folks:**

Granted, there is no way to really count how many people keep their top New Year's resolutions, but the concept remains the same: New Year's resolutions are made just for us to look good in front of our friends and are quickly forgotten when they become inconvenient.

January's Joke: **The Mircle Show**

An old couple were sitting in their living room on a Sunday morning watching a religious program. The preacher on this show would go to all the people in the audience and asking them what they wanted fixed, then he would have them cover the part of their body they wanted fixed. Many of the people were elderly so they were covering their eyes and hearts. Then the preacher said "Ok now for you at home put your hand on the part of your body you want fixed and say this prayer with me. "So the little old lady put her hand on her heart, because she had a very bad heart. And the little old man put his hands on his crouch. The little old lady turned to her husband and said "He said said he could heal the sick, not raise the dead!"

Your HOA Board and McNeil welcome our newest family. We hope you'll find your HOA website and newsletter helpful as you learn more about living in the "Villas".

**Food for thought:**

1. How long did the Hundred Year War last?
2. Say the word "silk" five times; now spell the word "silk" out loud; What do cows drink?
3. How many birthdays does a 30-year-old have?

-Answers found on first page.

Happy Birthday to all celebrating a birthday and or special occasion during the month of January.
