### **Just Saying:**

POW/MIA: Americans across the United States pause to remember the sacrifices and service of those who were prisoners of war (POW), as well as those who are missing in action (MIA), and their families. All military installations fly the National League of Families' POW/MIA flag, which symbolizes the Nation's remembrance of those who were imprisoned while serving in conflict, and those who remain missing. Veteran rallies take place throughout the United States as well.

### Joke of the Month: Playing with Fate

-In surgery for a heart attack, a middle-aged woman has a vision of God by her bedside." Will I die?" she asks.

-God says, "no. You have 30 more years to live".

-With 30 years to look forward to, she decides to make the best of it. Since she's in the hospital, she gets breast implants, liposuction, a tummy tuck, hair transplants, and a collagen injection in her lips. She looks great! The day she's discharged, she exits the hospital with a swagger, cross the street, and is immediately hit by an ambulance and killed.

-Up in heaven, she sees God. "You said I had 30 more years to live," she complains.

- "That's true," says God

- "So, what happened?" she asks.

-God shrugs, "I didn't recognize you."
