FYI

A board meeting was held at the Cambray pool on 23 February at 1:30 PM. Eleven (11) residents were in attendance. The following was discussed: (1) The security Guard Company will be given notice that their services, at this time is no longer needed. This comes as an approximate savings of \$16,000 for the remainder of the calendar year. (2) Additional solar security lighting is being installed around the pool area that will double our present capacity at a cost of approximately \$600.00. (3) A Neighborhood Watch Program is being considered. (4) Our present Landscape Program is being closely monitored. (5) A timer was installed on our pool heater that will reduce the time the pool heater is running from 24 to 10 hours per day. (6) Possibly adding a motion detection system that can be monitored by resident volunteers, thus increasing pool security. (7)

Revisiting the Villas house painting schedule. (8) A new cover is being installed on the pool's water fountain.
